Healing of the Water

- **2 Kings 2:19-22**
- **19** The men of the city said to Elisha, "Look, our lord, this town is well situated, as you can see, but the water is bad and the land is unproductive." **20** "Bring me a new bowl," he said, "and put salt in it." So they brought it to him.
- **21** Then he went out to the spring and threw the salt into it, saying, "This is what the LORD says: 'I have healed this water. Never again will it cause death or make the land unproductive.'" **22** And the water has remained wholesome to this day, according to the word Elisha had spoken.
